

SANDLAKE – GALLOWAY ROAD CONSTRUCTION PROJECT

What's happening on the job?

The contractor will continue working on Sandlake Road between MP 1.8 and MP 2.2. This work includes temporary road widening that includes the construction of a permanent rockery retaining wall, clearing and grubbing and the beginning of excavation for the gabion basket retaining walls.

*** * EXPECT 30 MINUTE DELAYS IF YOU PLAN TO TRAVEL SANDLAKE ROAD * ***

Federal Highway staff is limited on the project this week due to annual training and the annual FHWA Winter Conference held at the headquarters office in Vancouver, Washington. Part of the staff will remain in training for the next four weeks. We apologize for the lack of information in this week's newsletter.
